PETITION UNDER 37 C.F.R. § 1.182

The above identified patent application was filed in the name of the following three inventors: Jon E. Ramer, Frank Lacson, and Tom W. Corddry. The application was accompanied by a signed declaration signed by the inventors. We have subsequently been informed that "Tom W. Corddry" should read "Thomas W. Corrdry." Accordingly, applicants petition the Patent Office to change the listed inventorship.

This requests corrects a typographical error and, therefore, under MPEP § 201.03 (B), mere notice is sufficient and the requirements of 37 C.F.R. § 1.48 are not necessary. Furthermore, this request corrects an error where there has been no change in individual but an incorrect name was given and, therefore, under MPEP § 201.03 (E), this petition is sufficient and the requirements of 37 C.F.R. § 1.48 are not necessary.

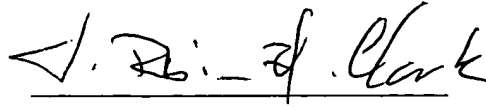

Accompanying this petition is the requisite petition fee of \$130.00. Please credit any overpayment or charge any deficiency to our Deposit Account No. 04-1425. As always, if the Patent Office has any questions or concerns relating to this or any other matter, please feel free to contact the undersigned attorney at any time.
